

Since we first opened in 2000, Absolute Blinds Etc. has enjoyed continuous support and growth in the Charlotte community. Over time, we have grown to become one of the largest and most trusted retailers and installers of quality verticals, plantation shutters, fine draperies and other popular blinds and window coverings. Even during these tough economic times, we've continued to thrive and attract new customers throughout the area.

The reasons we've been successful are simple. We offer homeowners a greater selection and lower prices, and we're dedicated to providing the best possible customer service. We care and it shows in all that we do. We sell the world's most proven and durable products. And we make sure your beautiful new window treatments are installed properly.

Much of our business comes to us by word of mouth referrals. We receive many handwritten letters and notes of thanks from folks and display them in our showroom.

If you're planning to renovate or install new window treatments in your home or office, we can definitely save you money on all styles of window coverings and invite you to stop by our showroom where you can see the newest products and décor styles firsthand. In addition, we'll be happy to come out to measure your windows and provide you with an on-site estimate.
